File No. BHRC/Comp. 5465/15

Case of Shikha Rani (Non-payment of salary to her father).

15.12.2015

A mail has been received personally by me from Shikha Rani of Nardiganj of district Nawada. There is a complaint with respect to withholding of salary of her father by Block Education Officer, Silao (Nalanda).

Prima facie no officer has power to stop the salary of any employee therefore Deputy Secretary of the Commission, Mr. Abhijit Kumar is directed to get in touch with BEO and seek an explanation of the officer immediately since it is complained that the salary has not been paid for 11 months. The applicant and her sisters are facing threat of discontinuing their education as they are not able to pay their fee.
