This proceeding was initiated on receipt of an application stating that her husband who is a prisoner is suffering from severe disease but no proper treatment is being provided to him.

Earlier a report has been received from IG Jail and Correction at services stating that as per report of superintendent Central jail Motihari prisoner Pappu Singh husband of the applicant was treated at PMCH Patna, his condition is good and is admitted in Sadar hospital Motihari for physiotherapy. In view of the above report IG Jail was directed vide order dated 25/03/2021 to get the husband of applicant examined by constituting a team of 3 doctors and submit report.

Later on IG has submitted another report dated 28/04/2021, enclosing the report of Jail Doctor which discloses that the prisoner had complained of weakness in left lower limb and of tingling sensation.

In pursuance of order dated 25/03/21 a report of team of 3 doctors regarding condition of the prisoner Pappu Singh has received by, which it is reported "Prisoner Pappu Singh having weakness to muscle atrophy left limb. His right leg was amputated in October 2020 at PMCH Patna. He is unable to work without support. He needs attendant for attending daily routine work. A report has also received from Superintendent Central Jail Motihari stating that orthopedic doctors of PMCH has suggested for amputation of dry vascular gangrening right lower limb and he was discharged. He is again sent to PMCH and as per the advice left leg was amputated. It is also reported that after receipt of release order by the learned court, he has been released on 23/09/2021 on bail.

Transmitting a copy of the report as mentioned above, an opportunity was given to applicant to file her response to the above report but the same has not been received.

In view of the above and since the husband of the applicant has already been released from the jail on further action is required in this proceeding.

Let a copy of the order be communicated to the applicant for information.
