Ms .Saroj Paswan present before the Commission today.

1. The complainant Sweta Kumari is daughter of Gopal Krishna Jha, who is working in Primary School, South Tola, Balwapar, Barbhanga. She alleged that from September 2022, the District Programme Officer (Establishment Sheikhpura) had stopped salary of her father without any reason. Some irrelevant allegations are also made in the complaint but those are heresay.
2. The Complaint is opposed by the District Education Officer, Sheikhpura by filing replies. Mrs. Saroj Paswan, Subdivisional PGRO (Public Grievance Redressal Officer), Sheikhpura is present before the Commission for representing the Education Department.
3. Upon hearing Mrs. Saroj Paswan and on perusal of reports filed by the Education Officer, it becomes clear that there was a complaint against Gopal Krishna Jha (Teacher) alleging that he secured employment by submitting false certificates. The enquiry of these allegations commenced. During enquiry it was found that the Gopal Krishna Jha has submitted two certificates showing his eligibility. One was that of UPP SHASHTRI, which is passed in 1988 from Kameshwar Singh Darbhanga Sanskrit University, Darbhanga. The another was that of PRASHAIKSHNIK was which he claimed to have passed from Primary Teachers Education College, Masourhi, Patna in the year itself. It seems that in one

year itself, from two different educational institutions, Gopal Krishna Jha had claimed to have passed teacher training examinations. That is ^{how} ~~why~~ the District Programme Officer had recommended initiation of departmental enquiry/appropriate action. It was also recommended to terminate services of Gopal Krishna Jha by communication dated 08.01.2024 addressed to the Executive Officer Cum Member Secretary Nagar Parishad, Barbigha. Apparently Gopal Krishna Jha had filed appeal challenging these actions. Mrs. Paswan submits that during pendency of that appeal, and subject to result of that appeal, ^{how} ~~why~~ it is decided to pay salary to Gopal Krishan Jha and that is ^{how} ~~why~~ the salary is being paid to him.

4. In this view of the matter no further action is warranted in the instant complaint. The same is closed.
